ATTRACTIONS IN ITALY

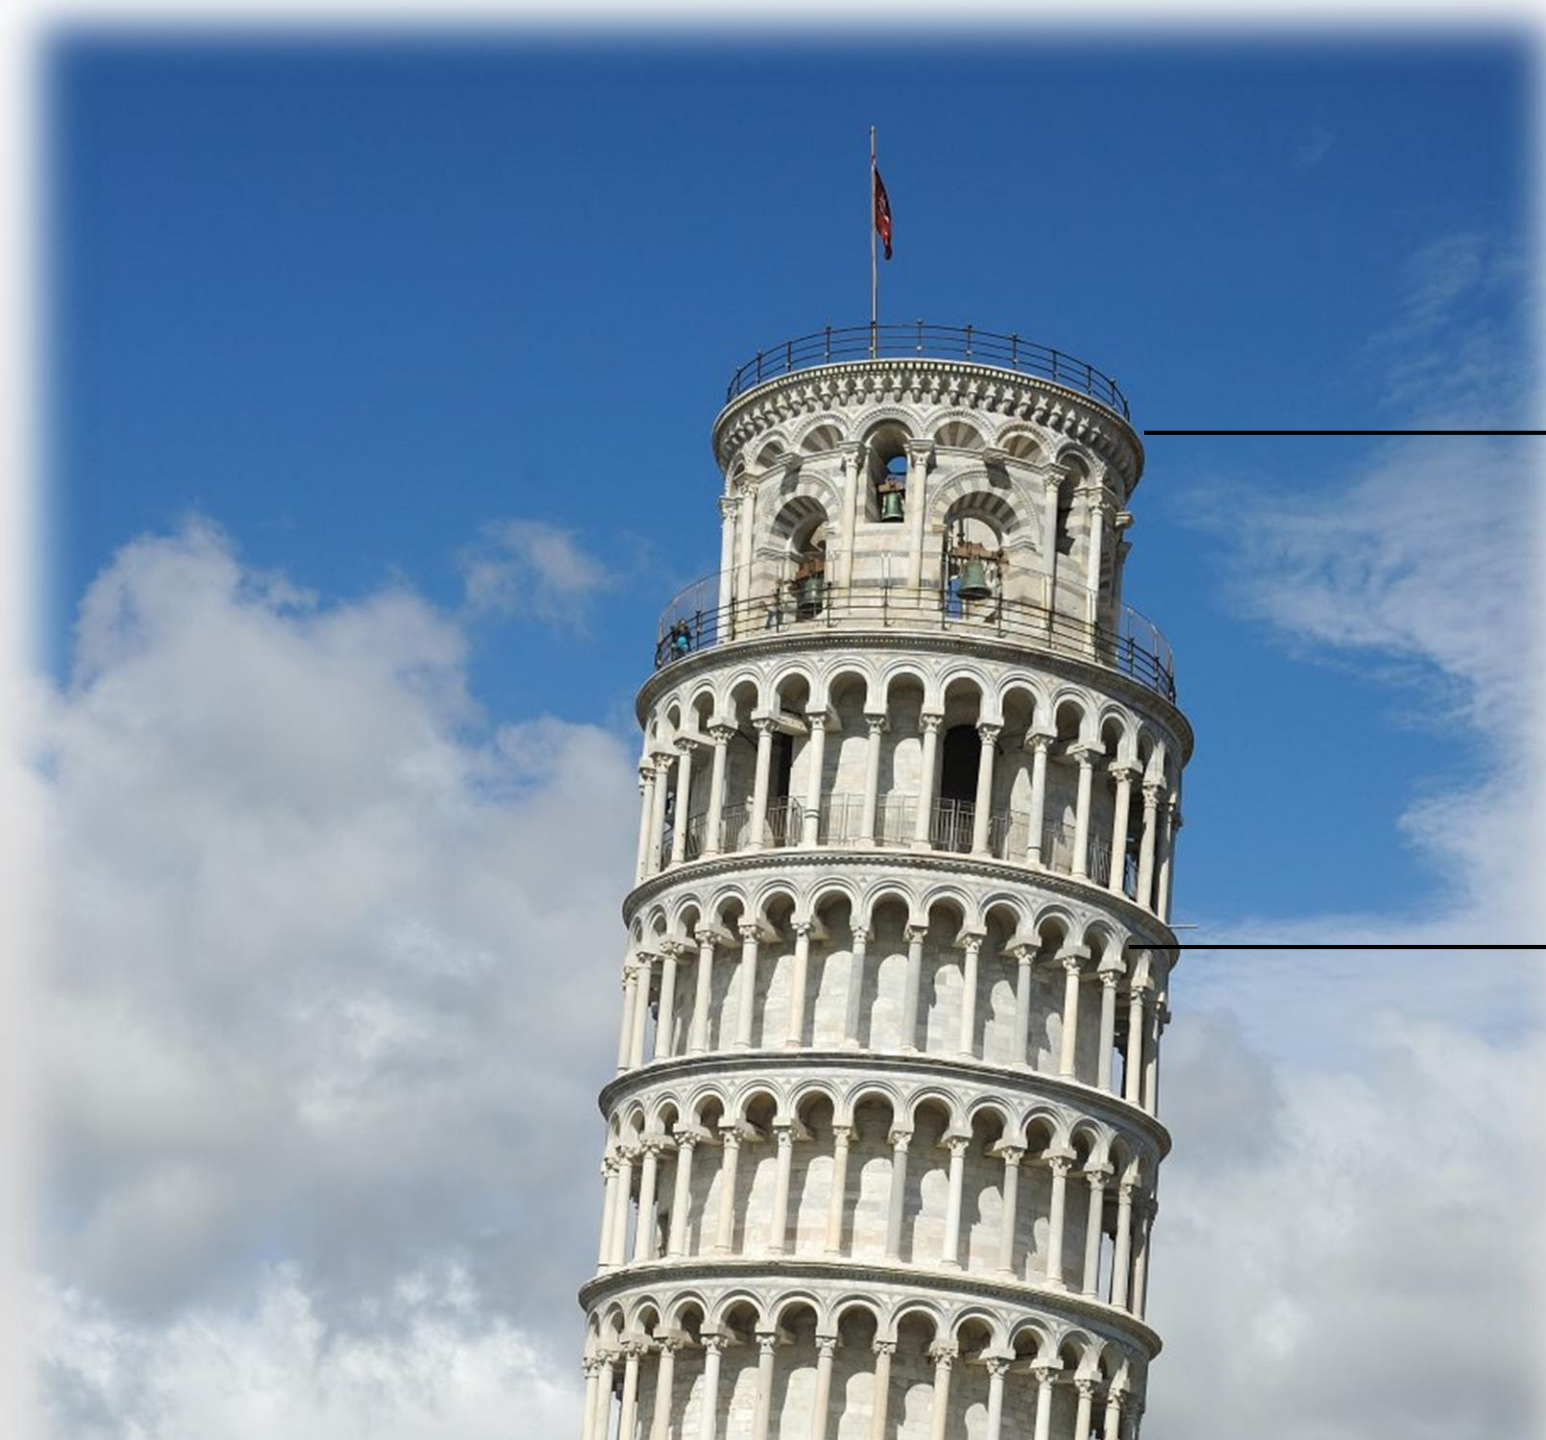

COLOSSEUM

The construction of the Colosseum began in the year 72 under the empire of Vespasian and was finished in the year 80 during the rule of the emperor Titus

The Leaning Tower of Pisa is one of those things that you often see in pictures and assume that it will disappoint you when you see it in person.

The tower is a massive structure and a leaning one at that, and the buildings surrounding it are also very attractive

In general, Pisa is well known for the "leaning tower."

Once you stand in front of the tower, you understand why it is so iconic and why everyone wants to take a picture with it.

TREVI FOUNTAIN

The 'Fontana di Trevi', or the Trevi Fountain is perhaps the most famous fountain in the world and definitely in Rome.

INTERESTING FACTS

In Italy there's a whole other country inside it-the Vatican City is the smallest country in the world.
